F. NEW BUSINESS

1. Kris E volunteered herself as the new Group Treasurer. Kenny motioned to accept Kris E as our new Treasurer and Lori S seconded; the motion and was unanimously approved.
2. A group conscience agreed that Kris E could make payments to reimburse members that have receipts for the group expenses without voting on the payments. The group agreed that a prudent reserve amount will be decided in the next couple months after monitoring donations and expenses.

3. The group discussed and group conscience decided that unmuting to make open comments after members share during the sharing part of our meetings will be discouraged and should be eliminated.

Comments in-between shares during newcomer introductions and milestone will be welcomed and encouraged.

4. Lori S motioned and Kenny M seconded to enable the waiting room feature in place of the previous policy of locking meeting after 10 minutes. We will run this for a trial period until the next business meeting. The group voted and it was unanimously approved.
